Dept. of Commerce,
Washington, D. C.

Gentlemen:

We have a blank notice from the Customs House at Juneau stating that certain fish products were shipped by us in 1921.

We were not the actual packers of these shipments referred to and have mailed the blank to Mr. Fribock, who is manager of the cannery at Snug Harbor for whom we shipped these goods.

We are asking Mr. Frobock to mail this report direct to you.

Yours very truly,
BANK OF ANCHORAGE
